Vision, Mission, and Strategic Objectives of the Academy

AGDA Vision: A world-class diplomatic academic institute that influences and drives the development of the next generation of foreign policy leaders and thinkers and plays a dynamic role in shaping the global foreign policy landscape.

AGDA Mission: To deliver internationally recognised education and training for diplomats and to advance the UAE's foreign policy priorities; to produce innovative thought leadership that furthers the understanding of diplomacy and international relations in the region and beyond.

AGDA Strategic Objectives:

- ✓ Become a premier diplomatic institution offering internationally Accredited Programs and career-long Continuing Education and Executive Training with a regional and global perspective.
- ✓ Enhance the UAE's soft power by becoming a networking hub for diplomats and policy makers from the region and beyond.
- ✓ Become a globally recognized institution for developing constructive and innovative thinking and solutions to critical national, regional, and global foreign policy priorities.
